into the Ocean of Consciousness:

What is human existence like when experienced through the Cosmic Consciousness of an astral traveler To observe Earth from the outside is to discover an entirely new world Inspired by a vision Liquid Mind is written from the perspective of an astral traveler who exists in another reality and decides to have a human experience This mixture of allegorical fiction and philosophical analysis is a parable for the Planetary Human Before coming to Earth the voyager has acc About the Author Danyel Seagan is a true global human having resided on four continents While living under a communist regime Danyel s family tried to defect Danyel and his mother escaped while his father was captured These and other dramatic incidents ex
