By Kathy Tyers : Firebird firebird sql the true open source relational database get to know firebird and share our love of brewing great beers from around the world Firebird:

7 of 7 review helpful A decent entry into Christian science fiction By Customer I didn t love this as much as I thought

I would Kathy Tyers writing style is first rate and her world building is decent She deftly weaves description into her settings without it slowing down the action However I was let down with the protagonist Firebird Instead of the book featuring her as a strong character it was a lot Her Death Was Expected but Something More Powerful Kept Her Alive A Science fiction Story Like They Used to Write Christopher Parkening premier classical guitarist Bestselling author Kathy Tyers has rewritten her first and favorite science fiction novel to deal more fully with questions of salvation and the search for faith If you are a fan of science fiction Christian fantasy or just great storytelling you will be thrilled by th Touching romance and spiritual insight Riveting action the imagery used to describe Firebird s spiritual journey will stay with me for a lifetime Suzanne Krein Sfsite com About the Author KATHY TYERS is a b
