neck and don The Mammoth Book of Haunted House Stories:

0 of 0 review helpful A Great Collection By D Schneider This was a great collection of stories stretching from Europe to the US and covering many time periods however they all have one thing in common they are all about haunted buildings Haunted Houses is a misnomer it cover castles and a place of business or 2 also The stories range from terrifying to humorous I love how each story is set up like a realtor advertise Expanded with great new stories this is the biggest and best anthology of ghostly hauntings ever Over 40 tales of visitation by the undead mdash from vengeful and violent spirits set on causing harm to innocent people tucked up in their homes to rarer and more kindly ghosts returning from the grave to reach out across the other side Yet others entertain desires of a more sinister bent including the erotic This new edition includes a selection of favorite hau About the Author Peter Haining is a leading authority on horror fiction with a particular emphasis on early Gothic and on the classic English ghost story He has edited a large number of horror crime and fantasy anthologies published over the past three d
