By C.J. Henderson, Cody Goodfellow, Gary McMahon, Robert M. Price, ...and others : Undead & Unbound: Unexpected Tales From Beyond the Grave (Chaosium Fiction) Undead & Unbound: Unexpected Tales From Beyond the Grave (Chaosium Fiction):

2 of 4 review helpful A new face to old monster By Persio Sandir Doliveira Undead and Unbound has nineteen horror tales bringing the living dead to our days Well we have The Walking Dead TV series and the George Romero s movies so I think it is ok The best tales are I Am Legion by Robert Price Marionettes by Robert Nilson Mother Blood by Scott David Aniolowski Thunder in Old Ki Undead Unbound nbsp celebrates those who have returned from the grave mdash in all their glory and in whatever form they take You will find the famous blood drinkers and flesh eaters here but also ghosts patched together reanimates fiends of myth and folklore and some not so easily identifiable creatures from beyond the grave Nineteen tales take the undead to their limits From the distant past to the far flung future and
