By Gregory Spencer : The Welkening: A Three Dimensional Tale The Welkening: A Three Dimensional Tale:

2 of 2 review helpful Creative Idea but By samtay I tried to read this book for an independent study project for school but after just a few pages in I begged my professor to let me swap in another book The idea of a three dimensional tale

is creative and interesting but the writing style of this book is so poor I couldn't take the book seriously. The characters fell flat and were too cartoonish, not representative. Lizbeth, Bennu, Len, and Angie are misfits and they know it. They are often overlooked and ostracized for being overweight, short, airheaded, or wearing coke bottle glasses. When bullies inflict a wound to Len's head, the four friends find themselves suddenly thrust into an alternative dimension, the realm of Welken, an idyllic kingdom under attack by Morphane, the Soul Swallower. The noble defender Piers urges the four to aid his beleaguered land. But their insecurities...
