Blackjack (Five Star Science Fiction and Fantasy Series) (Five Star Science Fiction and Fantasy Series) (Five Star Science Fiction & Fantasy):

5 of 5 review helpful Good and bad balanced out in this slow paced well written post apocalyptic tale By Karen Torch Song takes us on a journey with mercenary Rica Marin who has been commissioned to root out various evils in a post apocalyptic future On the negative side the pacing of this novel drags somewhat at times and characterisation falls just short of real depth for some of the characters especial Blackjack by Lee Singer is now also available as an e book from BooksBNimble and has been retitled Torch Song first volume in the Blackjack trilogy The author name has been changed to the more familiar one Shelley Singer Fast paced action and a decisive strong minded heroine make this a good choice for fans of the postapocalyptic thrillers Library Journal
