The Best Horror of the Year Volume 2:

5 of 5 review helpful Scary scary truly scary stuff By M Thornburg I ve read several volumes of this series not in order of publication This one is the best so far in my opinion and I haven t even come close to finishing it I m writing this having read only three of the seventeen stories and even if I don t read any more but I will I will it s been well worth at least twice the price The End of Everything Celebrities take refuge in a white walled mansion as plague and fever sweep into Cannes a killer finds that the living dead have no appetite for him a television presenter stumbles upon the chilling connection between a forgotten animal act and the Whitechapel Murders a nude man unexpectedly appears in the backgrounds of film after film mysterious lights menace the crew of a small plane a little girl awakens to discover her nightlight and more missing two si From Publishers Weekly Prolific anthologist Datlow continues her fine showcase series originally part of the long running Year s Best Fantasy and Horror with 17 scary stories published in 2009 Perhaps the creepiest is each thing i show you is a piece of my de
