**By John Moralee :** Bloodways Bloodways:

1 of 1 review helpful Interesting and haunting By Alyce There were a few grammatical errors but overall I appreciated

the horror and Gore of these short stories Good read Evil vampires Dangerous killers Supernatural nightmares There is only one direction in hell BLOODWAYS Bloodways is a collection of fifteen horror stories featuring two short stories first published by the British Fantasy Society Bloodways includes The Cursed Something evil lives in a silo close to a girl s home First published in the charity anthology Ten Deadly Tales Paint It Blacker A man fears he is losing his mind Bloodways is quite an interesting collection There s no doubt that Moralee has a sense of humor and talent While the title may be Bloodways this isn t gory at all I really can t even call it a straight up horror collection because there s a lot going
