By L. Andrew Cooper : Burning the Middle Ground the paperback of the burning the middle ground by l andrew cooper at barnes and noble free shipping on 25 or more burning the middle ground is a dark fantasy about small town america that transforms readers fears about the countrys direction into a haunting tale of religious Burning the Middle

Ground:

0 of 0 review helpful Truly thought provoking and scary By Sheila Deeth Classic horror set in the modern world of small town America L Andrew Cooper rsquo s Burning the Middle Ground has it all mdash genuine scares shocking revelations and characters deep enough to make you really care The story rsquo s told in separate parts with a middle section revealing the gradual fall from grace of a pastor seduced by evil powe Burning the Middle Ground is a dark fantasy about small town America that transforms readers fears about the country s direction into a haunting tale of religious conspiracy and supernatural mind control A character driven sensibility like Stephen King s and a flair for the bizarre like Bentley Little s delivers as much appeal for dedicated fans of fantasy and horror as for mainstream readers looking for an exciting ride Brian McCullough comes home from school and dis
