**By Anthony Rhine : The Road to God** the road to god welcome to the road to god the road to god may seem long and very difficult to you right now that may be because no one has shown you the the road to god 13k likes roads to god are many and diverse this one is mine this is a story that might not be worth telling if god wasnt in it The Road to God:

4 of 4 review helpful Great Read Makes you Think By Toby Park The Road to God is a great read The author rsquo s ability to capture the reader in the life of Daniel Bolton makes this a difficult one to put down Indeed I read the entire book in two sittings and was impressed with the character development and the force the text has to transport the reader to a deeper level of self reflection of your own life The book I am not a messiah Daniel Bolton proclaims in the first few lines of The Road to God as he waits to preach to a stadium of tens of thousands But as his story unfolds we aren t quite so certain When a dear friend of two decades suddenly dies of a heart attack Bolton is forced to accept the mysterious talent he has to share it with the world and to bring it to terms with his life in the church The Road to God tells the journey of a man who grew up with a gi
