By Doug Joseph : New Immortal (Skyport Chronicles) (Volume 1) New Immortal (Skyport Chronicles) (Volume 1):

1 of 1 review helpful New IMmortal By A Jane H New IMmortal Book One of the Millennial Teleport Trilogy written

by Doug Joseph made for some entertaining and thought provoking reading for me these past few cold winter nights I appreciate the thorough Scripture research reflected in this story of what the Millennial Reign with Jesus Christ could be like After years of Bible study I have thought deeply about the hereaft The prophecy foretold that the dragon s imprisonment would last a thousand years Now that age is ending and the ultimate evil is rising Daniel Talbot is one of many raptured believers serving in the royal court of Jesus during the prophesied Millennial Kingdom age Daniel never expected to be part of a counter espionage team but he and his fellow immortals are called upon to use every skill they possess in the fight against evil Mixing sci fi with amazing prophecies Forget James Bond and Jason Bourne
