**By Steve Lawhead : The Skin Map. Stephen Lawhead (Bright Empires)** The Skin Map. Stephen Lawhead (Bright Empires):

1 of 1 review helpful I love Stephan Lawhead s books By Customer I love Stephan Lawhead s books I have read

almost all of them however this is by far one of his best works yet the plot is dynamic and unpredictable the characters flawed but relatable their relationships are real and don't feel forced or just pulled along definitely a worthy read 1 of 1 review helpful A worthy adv Kit Livingstone encounters his great grandfather in a deserted London alley Surprisingly as Cosimo long since disappeared thought dead He urges Kit to join him on a quest through time and space in search of a strange map made by another intrepid explorer Fearful of being trapped in the intersections between worlds and times this traveller from an early age had devised an intricate code a roadmap of symbols and tattooed it on his own skin Now the race is on to About the Author Stephen R Lawhead is the internationally acclaimed author of many outstanding fantasy and science fiction novels including The Song of Albion trilogy and the Pendragon series Stephen lives in Oxford with his wife Alice They have two grown u
