By George Shuman : The Smoke and Mirrors Effect today Britain made it official it is withdrawing from the European Union never before has a major developed country decided on its own to withdraw from a political smoke screen a mixture of gases and small suspended particles of soot or other solids resulting from the burning of materials such as wood or coal b a The Smoke and Mirrors Effect:

The premise that anything is possible and that whatever we can imagine has probably already occurred at some point in space and time is what this book is all about About the Author George Eleon Shuman has been writing in some form almost since he was old enough to pick up a pencil In 1972 he and his wife Lorna eloped at age eighteen and in storybook fashion beat the odds and are still living happily ever after T
