2 of 2 review helpful Great entry in the series mostly By Gunslinger Great entry in the series mostly However it was a little more metaphysical and abstract than previous installments The things that I loved about the first two were a little lacking in this one The stories did all connect in a way though I hope the next one gets back more toward the first two
2 of 2 review helpful Do yo The Limbus saga continues with five more stories of horror science fiction and fantasy from some of the industry s brightest stars Jonathan Maberry Seanan McGuire Keith R A DeCandido Laird Barron and David Liss Thomas Malone thought he d seen it all during his twenty five years in the Birmingham homicide division But then they found the body of a woman suspended above the opening of the mineshaft known as the Vertical blood dripping into the chasm below At th
