By Jay Caselberg, Eric Del Carlo: Dark Horizons: An Anthology of Dark Science Fiction elder signs press is excited to announce the upcoming anthology dark horizons coming in fall of 2016 technology gone wrong madmen playing with science beyond inspiration lies at the heart of innovation it challenges the norm and guides ideas

previously thought impossible toward reality science fiction is one source of Dark Horizons: An Anthology of Dark Science Fiction:

0 of 1 review helpful Lackluster By C K MacLeod While the writing quality was good the stories were a bit lackluster I felt that the book title and description was misleading There were several references to Lovecraft but they weren t all that dark Some even felt unfinished 0 of 0 review helpful it s one of the best here And that s an easy fact to prove By Bogdan Las Stranded on an off world base a tech specialist seeks to outwit a confused AI before it kills him In the depths of space a mining ship finds a vein of ore that will make everyone aboard rich mdash if they figure out what happened to the crew of the ship that was here before them Waiting for the unwary reader of this book are stories of madmen playing with science beyond their control and alien creatures with malign intent Welcome to Dark Horizons where About the Author Jay Caselberg is an Australian author based in Europe with multiple novels and short stories appearing worldwide Consistently appearing in various year s bests his work always tends to the darker edge More can be found at www jayc
