3 of 3 review helpful An engaging tale of survival and friendship By Newburydave Have you ever wished you could

sit down and have a heart to heart talk with one of your favorite animal friends In the world that Dana Bell has created for this book not only could you do this but your animal friend might just be the one leading the conversation I m not a cat fancier or an animal lover but this book really gr Terrified shrieks reached Word Warrior rsquo s ears as he floundered up the embankment In the gully below he saw the blood stained snow and the dead corpse of the screaming kitten rsquo s mother A stinky shaggy two leg was trying to capture the youngster and he knew it couldn rsquo t be allowed to With a battle cry born of his ancestors he charged down the hill unaware of the high hunter lurking in the pines In the storm filled mountains Anumati heard scratching About the Author Dana Bell is a leading expert on the history of aviation Now retired after thirty years with the Smithsonian s National Air and Space Museum he was formerly Technical Information Specialist at the NASM Archives and also worked at the U S Air
