White:

0 of 0 review helpful poor and or female people in the United States a By Zachary A collection of horror dark fantasy historical fiction stories about the experiences of black poor and or female people in the United States a sadly uncommon viewpoint in the genre Thematically Burke s stories tend to revolve around awakenings of various sorts and the fact that her protagonists tend to end their stories on an upwa White brings with it dreams of respect of wealth of simply being treated as a human being It s the one thing Walter will never be But what if he could play white the way so many others seem to do Would it bring him privilege or simply deny the pain The title story in this collection asks those questions and then moves on to challenge notions of race privilege personal choice and even life and death with equal vigor From the spectrum spanning despair and h
