By Sirena Robinson : Nephil's Destruction (Chosen Chronicles) Nephil's Destruction (Chosen Chronicles):

Lux Windsor knew from the time she was a small child that she had been born for battle The daughter of a witch and a vampire she has trained for her part in the destruction of Lucifer for as long as she can remember Along with Zane the son of the Angel of Death and a witch Lux is tasked with finding and killing all the children of Beelzebub one of the

most powerful Devils in existence Only by severing his link to his children can Beelzebub then be killed whi
